A photograph of a diverse group of students in a lecture hall. The students are seated at desks with laptops, looking towards the front of the room. The central focus is a young man with dark hair, wearing a dark button-down shirt, who is smiling broadly. To his right, another young man with glasses is also smiling. The background shows other students, some looking towards the front, creating a sense of an engaged audience. The lighting is warm and focused on the students in the foreground.
